

Los Angeles Unified School District

SB472 MATHEMATICS PROFESSIONAL DEVELOPMENT INSTITUTE FOR GRADE 6 – ALGEBRA 1

For current LAUSD teachers using Glencoe CA Grade 6 and Grade 7, Glencoe CA Algebra 1, and McDougal CA Course 1 and 2:

Teachers Must Attend Training with Teacher’s Edition and accompanying CD and DVD

The feedback from previous institute participants have shown that the instructional strategies modeled and practiced during the five-day institute are invaluable to the effective implementation of the district-adopted mathematics instructional materials.

<p>Opportunity to Learn and Earn:</p> <ul style="list-style-type: none">• \$510 for full five-day attendance• LAUSD Credit: 1 Salary Point• University Credit Available• Teachers may attend this SB472 Math Professional development, even if they have attended the AB466/SB472 Mathematics Institute in the past• Substitute and independent charter school teachers may not attend at this time.	<p>Participants will learn how to:</p> <ul style="list-style-type: none">• Use hands-on, engaging strategies for development in-depth knowledge of the California Content Standards and Curriculum Framework• Develop vocabulary and language needs of students• Promote collaborative strategies that utilizes “real world” examples and connections• Provide intervention opportunities for students at risk of failing• Use effective strategies for the technology components of the program• Differentiate instruction to meet the learning needs of EL, SEL, SWD, and advanced learners.
